WHY CYBERS ?

Because Internet was not born for teenagers!

180 million pupils aged 13-17 use social media

60 million minors use Instagram

Most of them are unaware of surfing in a World Wide Web, which hides a darker side, providing some information not appropriate to younger users vulnerable to exploitation

Funded by the
Erasmus+ Programme
of the European Union

How

CYBERS NEEDS?

To's

CYBERS meets teenagers needs in terms of:

combination of knowledge, digital skills, and attitude considered necessary for active European citizenship
indispensable e-Safety skills to fight against the virtual
traps of haters, cyberbullying, sexting, Negative User
Generated Content NUGC and fake news.
